

beverage list

Welcome to Ascu. Our aim is to offer our guests an uncomplicated and well curated list of wines and beverages to accompany our Spanish-inspired cuisine.

Our focus in wine, as with our food, is to emphasise our local wine regions of Western Australia and support some of Australia's finest viticultural talent. We have also a collection of Spanish wines and Spanish varietal from both the new world and Europe for those seeking a bit of diversity from further afield.

Our wine list has been split in two parts; Spanish and Australian and others.
